

New Zealand Diploma in Creativity (Level 5)

Step up to a one-year diploma programme. Develop your creative thinking skills. Learn about creative technology software, use 3D printers, laser cutters, cameras and more. Work with a mix of media such as motion graphics and virtual reality or apply digital techniques to create physical works.

Career Options

- Animator (includes character design, story boarding, 3D model making)
- Brand designer (includes visual identity design)
- Creative technologies designer (media effects and animation for film, video and gaming)
- Graphic and/or visual communication designer (includes digital and print)
- Illustrator (includes traditional and digital)
- Motion graphics designer (2D and 3D design and animation)
- Web designer

NB: It is helpful for students to have access to a laptop of sufficient capability and Adobe Creative Cloud software to meet programme requirements.

Entry Criteria

Under 20

NCEA (Level 3) including credits from at least one of the following subjects: Art History, Practical Art (including design, painting, photography, printmaking, sculpture) or Design and Visual Communication; or New Zealand Certificate in Creativity (Level 4), or equivalent knowledge, skills, and experience

20+ years

If you're 20 years or over, you may qualify for special admission on this programme. Contact us if you don't meet the Under 20 entry criteria.

International IELTS

Minimum IELTS (academic) score of 5.5 with no band score lower than 5, or equivalent.

Find your country's [equivalent academic entry requirements here](#)

** International fees shown here do not include insurance and administration (currently approximately \$780 per year of study)*
