

Business Admin

'Day to day we learn about real things that you do when you work in a business. Sometimes I'll spend my morning creating data bases on Excel, preparing agendas and meeting notes or drafting formal letters and invitations.'

Valenitina

Business Admin

When Valenitina moved from New Zealand to Samoa, she knew right away that she wanted to push herself to grow. Studying the New Zealand Certificate in Business (Administration and Technology) at Whitireia and WelTec gave her the opportunity to further her knowledge and skills in business.

Business is something Valenitina has always been passionate about. She understands and respects the hard work that goes into keeping a business running and making it successful – it's what fascinates her.

Day to day, she learns hands-on business operation skills – from crafting formal letters, running excel sheets, or just taking agenda notes – Valenitina knows that everything she's learning at Whitireia and WelTec will help her get a job in the industry.

"Communication skills is something we work on here, it helps me communicate with clients, team members and it also helps me manage conflict in the workforce".

Every day she goes to class is just like going to work. Her goal is to find a job as an Office Manager when she graduates, but she eventually wants to run her own small business helping new New Zealanders get settled in..

More detail about this qualification

Study with Hyflex

Hyflex learning enables you to choose how you study. Whether you're already working or are studying full-time, you have the power to choose the balance between study and life. If you're a student who is already working in a relevant workplace, you may have the opportunity to choose the courses that align to your skills and work.

You'll also get the choice in how you engage with the programme. Hyflex offers options for learning on-campus in-person, remotely while the classes are in session, or retrospectively, whenever you get the time throughout the day. You can choose to study partly online, or fully online. There are also practical leaning workshops if you prefer to study in person. We tailor the programme to suit how you learn best.
